

NUCLEAR REGULATORY AUTHORITY LIST OF TRANSACTION AND SERVICE FEES FOR THE YEAR 2023

NÜKLEER DÜZENLEME KURUMU

N	JKLEER DUZENLEME KURUMU		
A	LICENSE, PERMISSION, APPROVAL, ON-SITE INSPECTION AND AUDIT SERVICES FOR RADIATION FACILITIES AND RADIATION PRACTICES		
A-1	LICENSES		
	Licensing of medical radiology, dental radiology and veterinary radiology devices; stationary devices used for process control and measurement; irradiation devices;		
	analysis, measurement, detection devices and X-ray analyzers containing low-activity radioactive sources; vehicle/container scanning devices, package/baggage control		
A-1.01	devices, smuggled goods/explosive detection detectors; low-activity radioactive sources; practices with electron beam welding machines; industrial cabinet radioscopy	12.474.00	TL/Device or Activity
	practices; radioimmune test practices; manufacturing, maintenance and repair of radiation sources or radioactive source reloading practices; import, export and	,	
	transportation activities of radiation sources		
	Licensing of practices with radiotherapy, industrial radiography, industrial radiography in the shielded area, well logging systems, mobile/portable nuclear measuring		
A-1.02		15.212,00	TL/Device
A-1.03	devices Licensing of nuclear medicine practices	63,447,00	TT /II:4
A-1.03	Licensing of nuclear medicine practices Licensing of facilities specially designed for irradiation, accelerator, proton therapy, radioactive source preparation, manufacturing, maintenance and repair of	03.447,00	1L/Unit
A-1.04		99.695,00	TL/Facility
	radiation sources		
A-1.05	Renewal of license or change of scope	Half of (50 percent of) the related	TL
		license fee	
A-2	PERMISSIONS		
A-2.01	Commissioning permission for irradiation (gamma irradiation), accelerator, radioactive source preparation (radiopharmaceutical preparation, radioisotope generator	27 916 00	TL/Facility
	production/preparation), proton therapy facilities	27.910,00	1L/Facility
A-2.02	Decommissioning permission for irradiation, accelerator, radioactive source preparation, proton therapy facilities	31.931,00	TL/Facility
	Import, export, temporary entry-exit (import-export), transport, transit permit or letter of conformity for radioactive sources or the device/equipment/hardware that	3.467.00	TT
A-2.03	can be used with radioactive sources	3.467,00	1L
A-3	APPROVALS		
A-3.01	Site approval for irradiation facilities (facilities where the radioactive source is stored in the pool)	44.358.00	TL/Facility
	Spatial design approval for radiotherapy, industrial radiography performed in shielded area, manufacturing, maintenance and repair of radiation sources or	•	•
A-3.02	radioactive source reloading practices and other optional radiation practices	7.395,00	TL/Room
A-3.03	Spatial design approval for nuclear medicine practices	44.358,00	TL/Unit
11-5.05	Spatial design approval for facilities specifically designed for irradiation, accelerator, proton therapy, radioactive source preparation, manufacturing, maintenance and	44.350,00	TL/CIII
A-3.04	repair of radiation sources	71.372,00	TL/Facility
	Revised spatial design approval for nuclear medicine practices and facilities specifically designed for irradiation, accelerator, proton therapy, radioactive source	ilaili makansal tasamma anara	
A-3.05		İlgili mekansal tasarım onayı	TL
	preparation, manufacturing, maintenance and repair of radiation sources	bedelinin %50'si	
A-4	ON-SITE EXAMINATION AND INSPECTIONS	C 0.2.1.0.0	
A-4.01	Repetition of on-site examination for authorization of radiation facilities and radiation practices (for each new on-site examination)	6.934,00	
A-4.02	On-site examination, evaluation and inspection service in terms of radiation safety upon request	15.219,00	TL
В	SERVICES RELATED TO RADIATION PROTECTION		
B-1	CERTIFICATE OF CONFORMITY FOR RADIATION MEASUREMENT SYSTEMS (FOR INTERNATIONAL SURVEILLANCE COMPANIES, METAL SCRAP		
D 1	PROCESSING/HANDLING FACILITIES)		
B-1.01	Certificate of conformity	15.920,00	TL
B-2	CERTIFICATE OF AUTHORIZATION (FOR ORGANIZATIONS TO PROVIDE DOSIMETRY SERVICE)		
B-2.01	Certificate of authorization	58.339,00	TL
B-2.02	Annual database usage of up to three thousand people	232.548,00	TL
B-2.03	Annual database usage of over three thousand people	348.771,00	TL
B-3	AUTHORIZATION OF ENVIRONMENTAL REMEDIATION ACTIVITIES OF CONTAMINATED AREAS		
B-3.01	Authorization of environmental remediation activity	315.304,00	TL
B-3.02	Inspection services*	,	TL/Man Day
B-3.03	Release of the area from regulatory control	262.752,00	· ·
	From the authorization of the environmental remediation activity to the release of the area from regulatory control, the inspection fee is paid by the authorized person. This fee is	===.702,00	
	determined by the Authority according to the work plan to be submitted by the authorized person to the Authority and includes the inspection for the number of days (person days)		
*	notified to the authorized person in December each year. Payment is made in advance in January of each year. In the year the authorization is granted, the insection fee notified		
	together with the authorization is paid within 30 days. In case of changes in the work plan, the audit fee is determined again.		
C	LICENSE, PERMIT, APPROVAL AND INSPECTION SERVICES RELATED TO NUCLEAR FACILITIES AND NUCLEAR MATERIALS
