

Closing Remarks on Nuclear Safety Forum II

Nuclear Regulatory Authority
2019

A few remarks

- Basis for the new regulatory infrastructure
 - IAEA nuclear law handbook, IAEA Safety Fundamentals
 - EU Nuclear Safety and Radioactive Waste Directives
 - National legal and governmental structure
 - Lessons learned in previous regulatory activities
- When will the draft regulations be effective?
 - They will be open to comments of the stakeholders including licensees and public after preapproval of the Board but before final approval and issuance
 - Previous regulations will be effective until its updated or replaced
 - There will be transitional articles regarding ongoing projects

A few remarks

- High interest from stakeholders
 - Future plans on continuing with the Forum annually or biannually
- Presentations will be available at www.ndk.org.tr and www.temizenerjifinansman.com
